RE: Tree Removal Project

Dear Resident:

On August 15, 2016 Public Works will remove six dead and declining trees in the median between Westminster Avenue and to the north of Arlington Lane. Arborists have determined these trees have no chance of revival. Traffic flaggers will manage traffic in the northbound lane to accommodate northbound and southbound traffic. Motorists may experience temporary delays while traveling through this area. **Joe Berg will be the supervisor for the project. His contact information is 925-855-9974 and email is [Joe.berg@davey.com](mailto:Joe.berg@davey.com).**

Should you have any questions, please contact me at (925) 313-2272 or Jason Chen at (925) 313-2299. Thank you for your patience during this much needed road safety project.

Sincerely,

Victoria Skerritt  
Administrative Services Assistant III  
Engineering Services
